Take Back TEAA

Did you know that many non-profit local organizations like TEAA are facing closing their doors this year because of the economic downturn and slow recovery? Did you know that without the August workshops, TEAA would have been operating at a deficit for the last two years? Do you ever feel that the organization is doing things that do not meet your needs as a member and/or artist? Do you have ideas you think would help TEAA's future?

The Board of Directors has authorized a facilitated planning meeting that will provide member input to help the organization take back its ability to meet membership needs balanced against fiscal necessities.

Gallery Report

President Mary Ann Gantenbein said we had 15 visitors during the day on Saturday, August 7th, and 62 visitors for the evening reception.

Old Business

*Summer Workshops: Program Director Ellen Zimet reported that Scott Leahing's class was full as was Kristy Kutch's class. Our classes are attracting a lot of out of town people. *Signs-Flags: Second Vice-President Jeannette Davis has found that flags are available in Long Beach for \$60. She will pick one up on Friday, August 13th.

*Fulio's Gift Certificate: The drawing for the winner will be held at the September 10th meeting and potluck lunch. The meeting will start at 11:00 a.m. followed by lunch. *General Meeting Speakers: First Vice-President Patty Davis has been setting up our speakers for the meetings.

New Business

*Fall Classes: President Mary Ann Gantenbein will check to find out starting days of classes and/or meetings.

*Treasurer Beverly Peck's Fall Vacation Times: The Board adjusted meeting dates as needed so that Beverly could be present.

*Strategic Planning Meeting: Webmaster Kitty Paino and Program Director Ellen Zimet presented the need for a Strategic Planning Meeting in order for Trail's End to continue its sustainability in these changing times and to prevent burnout for those who accept the responsibility to lead. After consideration the Board felt we needed to find out what members really want for Trail's End. In order to search out ideas, we need to meet with a maximum of 25 members including the Board. Second Vice-President moved we set aside up to \$200 for a TEAA Future Planning Meeting. First Vice-President Patty Davis seconded. Motion carried.

Adjournment

President Mary Ann Gantenbein adjourned the meeting at 5:15 p.m.

Respectfully submitted,
Lou Kister, Secretary

About the Calendar....

There are businesses and organizations who would like to rent the TEAA classroom on occasion. The space reservations belong to members first! But it is important that decisions about when members will be using the space long term (more than one time) is important to help in planning the month. We need to know what your plans are to ensure that members get a chance at the facility before it is opened up to the public. Please contact Mary Ann Gantenbein 861-2832 or Ellen Zimet 861-0718 right away if you plan on using the facility!
