Welcome...

to the oldest active art association on the North Oregon Coast.

Who We Are...

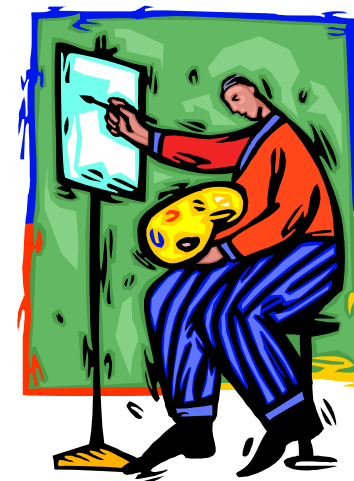

The Trail's End Art Association Center, a non-profit organization located in Gearhart, Oregon, occupies what used to be a two-room schoolhouse dating from 1902 or earlier. In 1952, the building was purchased and renovated by a newly formed art group to create a gallery and art education center.

Today, the center plays an important role in the local art community. Trail's End offers a unique opportunity to get to know other area artists and to share one's creative experience.

Gallery Shows

The Gallery features a new exhibit each month of artwork by members. In addition, prints, shrink wrapped original art, cards, jewelry, fused glass and fiber art are available for purchase. The gallery is open Wednesday through Sunday from 11 am to 5 pm. Winter hours vary. Call for more information (503.717.9458)
